

QUALITY HEALTH COVERAGE AND FREEDOM OF CHOICE

WEA Trust will again be the administrator for the State Maintenance Plan (SMP). The 2019 SMP Provider Network reflects significant changes from 2018 as 13* local counties and one state county qualify for SMP status. The 2019 SMP Network features providers to serve the 13 eligible Wisconsin counties and includes providers in adjacent counties in Minnesota and Michigan to support the network.

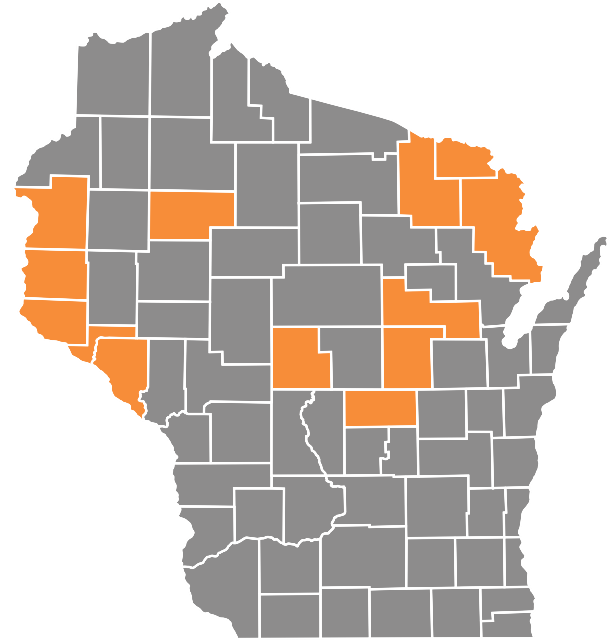

THE WEA TRUST SMP NETWORK IS AVAILABLE IN THESE COUNTIES*

State members: Forest**

WPE (Local): Buffalo, Florence, Forest, Marinette, Pepin, Pierce, Polk, Rusk, Shawano, St. Croix, Waupaca, Waushara, Wood

*The SMP-qualified counties are determined by the Group Insurance Board each year.

**There is only one SMP county for state members.

Telehealth urgent care—for when #sickhappens

Visiting the doctor is rarely convenient. You may have to endure a long drive to their office while you or your child is sick. This is then followed by 15 to 30 minutes in a waiting room. But a typical WEA Trust telehealth visit takes just 10 minutes, and you never even have to leave your home.

Unlike other telehealth services, with Amwell from WEA Trust, you see and speak to board-certified doctors, through your desktop or mobile device. Amwell is perfect for minor ailments or a sick child at midnight. Amwell doctors can even write you a prescription. Amwell Urgent Care is available anytime, anywhere you have an internet connection.

WEA Trust complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex.
